

Contoso Corp Health and Welfare Benefits Guide

Benefits Eligibility

Full-time employees are eligible for benefits on the first day of the month following their start date. Part-time employees scheduled for at least 20 hours per week are eligible for a prorated subset of medical, dental, and vision coverage.

Medical Plan Options

PPO Plan

The Contoso PPO plan offers access to a broad national provider network with no referral requirements. Contoso pays 80% of the monthly premium for employee-only coverage and 65% for coverage that includes dependents.

High-Deductible Health Plan with HSA

The high-deductible plan carries a lower monthly premium and pairs with a Health Savings Account. Contoso contributes \$750 annually to the HSA of any employee enrolled in this plan, deposited in the first full pay period of the plan year.

Dental and Vision Coverage

Dental coverage includes two preventive cleanings per year at no cost, with coinsurance applying to major procedures. Vision coverage includes an annual eye exam and an allowance toward glasses or contact lenses every 12 months.

Life and Disability Insurance

Contoso automatically provides basic life insurance equal to one times annual salary, and short-term and long-term disability coverage, at no cost to the employee. Supplemental life insurance for the employee, spouse, or children can be purchased during open enrollment.

Employee Assistance Program

All employees and their household members have access to the Employee Assistance Program, which provides confidential counseling sessions, legal consultation referrals, and financial planning resources at no direct cost.
